“ David lived next to us for as long as I can remember, there wasn't a time I didn't know David. We were in the scouts together and he helped me advance in rank. He was a good friend and neighbor and my boyhood days are filled with memories as we all played together, camped out and had great fun in both our backyards. He will be missed.

“ Family,
David was on the Board of FC Habitat and I really did enjoy working with him. He always had a joke to tell. I will miss him and his great ideas. If he was outside at his house I would stop and visit with him to ask his thoughts for Habitat. My thoughts and prayers are with you as you face the difficult days ahead.
Sincerely,
Mary Lou Jackson

“ I am so sorry to hear about David. I grew up on Bowman street and lived 2 houses up from Hugh, Helen, David and Emily. David was a great guy and I have enjoyed our discussions and stories we have shared over these many years. We always seem to have met up at Morgan Hardware a lot over the last 3 or 4 years and I always considered David a very good friend. Family you have our sympathy and know that you all are in our thoughts and prayers. May God give you peace and strength in the days to come. David will be missed.

“ I am one of David's neighbors from down the street, and I am so sorry to hear that he has passed. We would always chat when my son and I were out walking. It seemed like David enjoyed working outside and doing his projects on the house, and that little dog was his pride and joy. I've never seen a dog run so fast back and forth! David will be missed on Bowman Street.

“ I have known David all through our growing up years and am so thankful we have been in touch in recent years. I have many fond memories and am going to miss him very much. This has all been a shock and seems sudden to me. It seems like just yesterday that we were playing together in the yard between his house and Rucker and Eloise Rogers' house. Very sad.
