“ I remember Dell when she worked for Mr. Joe and I worked downstairs at the loan company. Sometimes we would have lunch at the same time at Economy Drug Store. Sweet lady. Very quiet and dignified. You were blessed to have her as your mother. My deepest sympathies for your loss.

“ So very sorry to hear of the passing of Mrs. Barnes- she was such a wonderful woman of God and the absolute perfect picture of a Southern lady! I am so happy that she was able to spend her last years with Robert, who truly was a perfect son for her. She was blessed due to his companion and love, and I know he blessed also by her love and return. We really respect Mrs. Barnes and know she was a lovely, godly woman who lived her life in a wonderful way. I will always remember her as so perfectly groomed and stylish, with twinkling eyes, lovely smile, and a kind word for everyone. Even though I know she is at peace now and dancing for joy to be with her Lord and Savior in heaven, I know she will be dearly missed by all who remain here on earth.. We love you Robert. Praying for both you and your brother during this time!

“ Your Mother was a beautiful lady...every time I saw her I always complimented on how lovely she was. She was a very sweet and precious lady who loved Jesus, family, friends and everyone else. She always had kind words for everyone she met. I often thought of her and how she was doing. She and your dad were great inspirations to me. Wonderful reunion going on right now!!! So sorry for your loss.

“ My memories are too numerous to put them all down but let me start by saying as a young girl I was fascinated by her teaching herself not only to play piano but then when we went to visit Uncle Glenn's home and she had gotten an Accordion and was teaching herself to play it also. She and my brother Arnold and sister Maxine would play and sing Gospel Music. Then in later years after she and Sam married, I was a teenager, I was privileged to spend the night at their home on several occasions. At this time, I learned what a great cook she had become.

After I married, she would always call me to see how many pounds of fresh blueberries I needed.

One Christmas, she and Robert prepared dinner for the entire Clerk of Courts Office and The Gordon Law Firm, where she was employed, spouses included, and it was very elegant.

I hope there will be lots of Orchids and African Violets in Heaven because she was an expert at growing these, along with most all flowers.

I could go on and on but I'll end by saying Robert and Ken, I really loved my cousin . You had a wonderful mom.
