“ I first met Ida in 1976 when I was searching for a child care provider so that I might start my new job at HCHS. For the next 8 years she literally raised our daughters! She was more that a babysitter...she was a nurturing "grandmother" who did not sit them in front of a tv but worked on their skills, taught them crafts, and entertained them with stories. It was never boring at Ida's house! I think my daughters became better people because of her loving nature.

During all those years and until the present we became best friends. Always a great listener, she became my confidante. She was also my teacher of various craft endeavors.I learned so much from her.The laughs we shared through good times and bad, Oh, how I will miss her laughter and friendship.

Ida, I thank you for all you did for me for years. Nobody will every occupy that place in my heart. Be sure and save me a place in your garden!

Love, Cindy

“ Too many memories to count! She could do anything she set her mind to. From cooking to crafts to making us laugh to everything in between....she did it all! Susan, Debbie, Eddie, and Linda, my heart breaks for all of you. I'm so sorry I can't be there to celebrate your mom's life today but you all will be in my prayers.

Much love & happy memories,
