“ Joan was one of the most beautiful and pure souls I have ever had the fortune to meet. Though our roads crossed for a relatively short time, her impact and Lee's impact on my life has been unforgettable!! As requested, I am sending a memorial gift to our local homeless pet shelter.

As far as a memory I would love to share, Joan and Lee's love and generosity toward homeless pets (and wayward humans too!) gave me to incentive and courage to adopt many pets over the years. I know in my heart that Joan is roaming the heavens followed by her many animals and friends! I will NEVER forget you dear friend!
