“ I did not know Mrs. Baker, but my mother did. They used to work together in the sewing plant back in late 60's and early 70's. However, Mother passed over 10 years ago. If she had been alive, she would have attended the services. I wanted to attend as her proxy, but I had a conflict. But now Loy (as my Mother would call her) and Anne (Annie Mae) Stowers are together again. Oh, the stories they will tell!
